## **Pre-Registration Application Instructions**

<u>Pre-Registration</u> allows a veteran to establish <u>in advance</u>, his/her eligibility for interment at the Washington State Veterans Cemetery. There is no cost for pre-registration and it does not obligate the veteran to be interred at the cemetery. Pre-registration is intended to simplify and assist the veteran's next-of-kin at time of death.

Interment fees for eligible veterans are paid by the Department of Veterans Affairs. \$300.00 will be collected for interment of eligible spouses or eligible dependent children at the time of placement.

Please complete the application as instructed below:

- Check the "Pre-registration of Veteran" box and select "Interment Type." Eligible spouses and adult dependent children may also be pre-registered at the same time as the veteran, if so desired (see below).
- Complete the "Veteran's Information" and "Service Record" sections of the form. Please note that the "Service Record" information listed on this application is not in lieu of providing the Veterans Cemetery with a copy of each Form DD-214 or equivalent discharge document that the veteran was issued. Be sure that the character of service is indicated on the document. A copy of each of these documents MUST be included when submitting this application. Failure to provide the required service record documents will delay processing of the application.
- If at the time of pre-registration, it is felt that a person other than the eligible veteran should be designated as the point of contact, please complete the "Contact Information" section, otherwise, leave blank if we should contact the veteran when the Cemetery Office has questions.

DOCUMENT

- Complete the "Spousal/Dependent Information" if the eligible spouse or dependent wishes to be interred in the Veterans Cemetery. A copy of the **marriage license or marriage certificate MUST** be included when submitting this application. Failure to provide a copy of the Marriage License /Certificate will delay processing of the application.
- In certain circumstances, dependent children may also be eligible for interment. Complete the "Spousal/Dependent Information" if you wish to pre-register the eligible dependent child. A copy of the birth certificate and other eligibility documents must be included when submitting the application. Please contact the Veterans Cemetery Office for more information regarding dependent children, including the documentation required.
- The person completing the application should sign and date the form. Please indicate the relationship to the veteran. It is recognized that in certain cases the veteran may require assistance and not be the individual completing the application.
